1 The Board and overview of its role

- (a) The board of directors (**Board**) of Bapcor Limited (**Bapcor**) is responsible for, and oversees the governance of, Bapcor.
 - (b) Corporate governance describes the way Bapcor is directed and controlled. Bapcor's shareholders appoint directors and hold them accountable for the performance of the company. A key part of directors' responsibility is to ensure that an effective corporate governance structure operates in Bapcor.

Bapcor's corporate governance culture and its way of doing business, including leadership by the Board and senior executives, is critical to Bapcor's continuing success.
 - (d) This board charter sets out the functions of Bapcor's board by describing the structure of the Board and its committees, the need for independence and other obligations of directors.
 - (e) The Board will meet regularly on such number of occasions each year as the Board deems appropriate.

3 Powers delegated to management

- (a) The Board has delegated to the Chief Executive Officer the authority and power to manage Bapcor and its businesses within levels of authority specified by the Board from time to time.  - (ii) the development of strategic objectives for the business;
 - (iii) the day-to-day management of Bapcor's operations; and
 - (iv) instilling Bapcor's Code of Conduct.
-

4 Board structure

The composition, structure and proceedings of the Board are primarily governed by Bapcor's constitution (a copy can be found on the company's website) (**Constitution**) and the laws governing corporations in jurisdictions where the company operates. The Board, with the assistance of the Nomination, Remuneration and ESG Committee, will regularly review the composition and structure and performance of the Board.

The Board aims to have a board of directors which has, at all times, the appropriate mix of skills, experience, expertise and diversity relevant to Bapcor's businesses and the Board's responsibilities (through, among other things, the use of a board skills matrix).

The majority of the Board should, to the extent practicable given the size and composition of the Board from time to time, be comprised of independent directors as determined in accordance with clause 12 of this charter.

It is the Board's intention that the CEO may be the only executive director.

The quorum necessary for a meeting of directors shall be three directors, unless otherwise determined by the Board. Board meetings may be attended virtually by directors where it is not possible for the director to attend the Board meeting in person. The minutes of the meeting will be approved by the Board and signed by the Chair within a reasonable time after the meeting.

5 Appointment and re-election of directors

- (a) With guidance from the Nomination, Remuneration and ESG Committee and, where necessary, external consultants, the Board will identify candidates with appropriate skills, experience, expertise and diversity in order to discharge its mandate effectively and to maintain the necessary mix of expertise on the Board.
- (b) The Nomination, Remuneration and ESG Committee assesses nominations of new directors against a range of criteria including the candidate's background, experience, gender, professional skills, personal qualities and whether their skills and experience will complement the existing Board.
- (c) The criteria to assess nominations of new directors is reviewed annually and the Nomination, Remuneration and ESG Committee regularly compares the skill base of existing directors with that required for the future strategy of Bapcor to enable identification of attributes required in new directors.
- (d) Before appointment to the Board, candidates must confirm that they will have sufficient time to meet their obligations to Bapcor, in light of other commitments.
- (e) New directors are to be provided with a formal letter of appointment to the Board setting out the key terms and conditions of the appointment, together with any other documents that Bapcor considers relevant to the appointment.
- (f) For shareholder meetings where directors are standing for election or re-election, the notice of meeting must include information to enable shareholders to make an informed decision on their election. This requirement is set out in detail in Bapcor's Nomination, Remuneration and ESG Committee Charter.
- (g) All directors (other than a managing director, if any) are subject to re-election by rotation at least every three years. Newly appointed directors must seek re-election at the first general meeting of shareholders following their appointment.

6 Review of Board, committee and individual directors' performance

- (a) The Nomination, Remuneration and ESG Committee will, at least once every two years, carry out a formal Board evaluation process to review the performance of the Board and its committees, as well as Senior Management and each non-executive director, using where necessary an external consultant, against appropriate measures. The review will assess:
 - (i) the effectiveness of the Board and each committee in meeting the requirements of its charter;
 - (ii) whether the Board and each committee has members with the appropriate mix of skills and experience to properly perform their functions;

- (iii) the contribution made by each director at meetings and in carrying out their responsibilities as directors generally, including preparing for meetings;
 - (iv) whether adequate time is being allocated to Bapcor's matters, taking into account each director's other commitments; and
 - (v) the independence of each non-executive director, taking into account the director's other interests, relationships and directorships.
- (b) Each year, the Nomination, Remuneration and ESG Committee will review the performance of the Chief Executive Officer and any other executive directors as may be appointed against guidelines approved by the Board.
- (c) Each year, a statement detailing the mix of skills and diversity which the Board is looking to achieve in membership to the Board should be included in Bapcor's annual report.
-

7 Board Chair

The chair of the Board (**Board Chair**) will be elected by the Board but must be an independent director. The Board Chair must not hold, and must not have held within the previous 3 years, the office of Chief Executive Officer of Bapcor.

The Board Chair's role includes:

- (a) providing effective leadership to the Board in relation to all Board matters;
- (b) representing the views of the Board to the public; and
- (c) presiding over meetings of the Board and general meetings of shareholders.

Pursuant to the Constitution, questions arising at a meeting of directors are to be decided by a majority of votes cast by the directors present and entitled to vote on the matter.

8 Company secretary

- (a) The Board appoints and removes the company secretary. All directors are to have direct access to the company secretary.
- (b) The company secretary is responsible for the day to day operations of the company secretary's office, including the administration of Board and committee meetings, overseeing Bapcor's relationship with its share registrar and lodgements with the ASX and other regulators.
- (c) The company secretary is also responsible for communications with the ASX about listing rule matters, including making disclosures to the ASX in accordance with Bapcor's Disclosure Policy.
- (d) The company secretary supports the effectiveness of the Board by monitoring that Board policy and procedures are followed and co-ordinating the completion and despatch of Board agendas and briefing papers.
- (e) The company secretary is responsible for taking minutes and keeping record at Board meetings.
- (f) The company secretary is accountable to the Chief Executive Officer, and to the Board through the Board Chair, on all corporate governance matters.

9 Keeping directors informed

- (a) New directors are to be briefed on their roles and responsibilities and the minutes and papers of Board and committee meetings will be made available to them.
- (b) Board papers are distributed, where possible, within a reasonable period of time before each meeting.
- (c) Time is to be allocated at Board and committee meetings for continuing education on significant issues facing the company and changes to the regulatory environment. This is to include briefings by Senior Management and external consultants from time to time.
- (d) Board members may have access to Senior Management, any other relevant internal and external party and information, and may make any enquiries, in order to fulfil their responsibilities, with such enquiries and access to be primarily channelled via the Board Chair and CEO. In circumstances where there is direct material contact between individual directors and members of Senior Management, the Board Chair, CEO and/or company secretary should be kept informed by way of courtesy.
- (e) Where the Board establishes committees and/or working groups (which may include a mix of directors and Senior Management) the relevant chair of the committee or working group is expected to have direct communications with the members of Senior Management responsible for those functions being considered by the relevant committee and/or working group, on matters within the scope of those functions.

10 Access to independent advice

Directors may obtain independent professional advice at Bapcor's expense on matters arising in the course of their Board and committee duties, after obtaining the Board Chair's approval. Whenever practicable, the advice must be commissioned in the joint names of the director and Bapcor, and a copy of any such advice should be provided to the entire Board. The other directors must be advised if the Board Chair's approval is withheld.

11 Non-executive directors' meetings

The non-executive directors are expected to meet periodically with no management present, to review management performance.

12 Independence of non-executive directors

- (a) To be judged independent, a director must, in the opinion of the Board, be free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, his or her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of Bapcor and its security holders generally.
- (b) Individuals would, in the absence of evidence or convincing argument to the contrary, be judged to be not independent if they were:
 - (i) employed, or had previously been employed in an executive capacity by Bapcor or any of its subsidiaries in the three years prior to becoming a director; or
 - (ii) directly involved in the audit of Bapcor or any of its subsidiaries; or
 - (iii) a substantial shareholder of Bapcor, or an officer of, or otherwise associated directly with, a substantial shareholder of Bapcor; or

- (iv) a principal of a professional adviser or consultant to Bapcor or another group member where the amount paid to that adviser or consultant within the three years prior to becoming a director was material or the relationship with the adviser or consultant was otherwise material to Bapcor, or an employee materially associated with the service provided; or
 - (v) a supplier, or an officer of or otherwise associated directly or indirectly with a supplier to Bapcor or another group member where the amount paid within the last three years by Bapcor or another group member to that supplier was material (to either Bapcor or another group member, or the supplier) or the relationship between Bapcor or another group member and the supplier was otherwise material to Bapcor or the supplier; or
 - (vi) a customer, or an officer of or otherwise associated directly or indirectly with a customer of Bapcor where the amount paid during the last three years by that customer to Bapcor was material (to either Bapcor or the customer) or the relationship between Bapcor and the customer was otherwise material to Bapcor or the customer; or
 - (vii) in a material contractual relationship with Bapcor or another group member other than as a director of Bapcor;
 - (viii) has close family ties with any person who falls within any of the categories described above; or
 - (ix) has been a director of Bapcor for such a period that their independence from management and substantial holders is compromised.
- (c) If a director has an interest, position, association or relationship of the type described in sub paragraph (b) above, but the Board is of the opinion that it does not compromise the independence of that director, Bapcor may consider disclosing in Bapcor's annual report the nature of the interest, position, association or relationship in question and an explanation of why the Board is of that opinion.
- (d) Any change in the nature of the independence status of a non-executive director must be promptly notified to the Board Chair and company secretary and the Board will review that director's independence status. If the Board determines that there has been a change to the independence status of a non-executive director, the Board will take steps to ensure that this change is disclosed and explained in a timely manner to the market.

13 Conflict of interest

- (a) Directors must keep the Board advised, on an ongoing basis, of any interests that could potentially conflict with those of Bapcor and will advise the company secretary of all directorships or executive positions held in other companies.
- (b) If a potential material conflict of interest or conflict of duty arises, the director concerned will advise the Board Chair prior to any Board meeting at which the issue is to be discussed. The director will not receive the relevant Board papers and will leave the Board meeting while the relevant matter is considered unless the other directors approve that director's participation in the deliberation and voting on the relevant issue in accordance with the Corporations Act 2001 (Cth). Any potential conflict must be recorded in the Board minutes.
- (c) Directors are required to take all reasonable steps to avoid actual, potential or perceived conflicts of interests and declare them to the Chair and the Board and the company secretary if they arise.

14 Board committees

- (a) The Board will operate two committees:
 - (i) Audit and Risk Committee; and
 - (ii) Nomination, Remuneration and ESG Committee.
 - (b) When appointing members of each committee, the Board will take account of the skills and experience appropriate for that committee as well as any statutory or regulatory requirements.
 - (c) The chair of the Audit and Risk Committee cannot be the Board Chair and is to be independent of management and Bapcor.
 - (d) The committees operated by the Board are to consider and determine the matters for which they are responsible in accordance with their charter. Copies of the charter of each committee are to be published on Bapcor's website. The Board may establish other committees as and when required.
-

15 Restrictions on share dealings by directors

- (a) In accordance with Bapcor's Securities Trading Policy, directors and Senior Management may only buy or sell shares during certain periods set out in that policy. The policy contains other relevant restrictions.
 - (b) All Bapcor share dealings by directors must be promptly notified to the ASX.
-

16 Confidentiality

All proceedings of the Board, including Board papers, presentations and other information provided to the Board, must be kept confidential except as required by law or as agreed by the Board.

17 Code of Conduct

Bapcor has a Code of Conduct which sets out the way Bapcor conducts businesses and guides the behaviour of everyone in Bapcor (including, employees, contractors and directors) by clearly stating Bapcor's firm commitment to behaving honestly and fairly.

18 Review

The Board will, at least once in each year, review this board charter to determine its adequacy for current circumstances and may amend it as necessary. Such annual review will include an assessment of whether the Board has performed the functions set out in this charter.
